SUBJECT:

DOCKET NO. 2007-358-E - Application of Duke Energy Carolinas, LLC for Approval of Energy Efficiency Plan Including an Energy Efficiency Rider and Portfolio of Energy Efficiency Programs - Discuss with the Commission Duke Energy Carolinas, LLC's Petition for Clarification and Reconsideration.

COMMISSION ACTION:

Move that we deny the motion for reconsideration and clarification. I believe that we can fully address Duke's arguments for clarification in our final order. Otherwise, no new arguments have been made meriting reconsideration. As stated in our Order No. 2008-834, the Commission does not want unnecessary delay in issuing its ruling in this matter, and understandably Duke would like a ruling on its application. However, Duke Energy Carolinas' request to close the record is denied in order to allow the Commission to review the briefs filed on the 15th of this month. The Commission will act thoughtfully to consider and rule on the proposals made by the parties.
